Yes – I'll follow up. I have not heard that. Halchita (on the Navajo) has requested a water trailer from BLM because they are short on water for other reasons (line breaks). They do use the San Juan River for DW.

Should I report the answer back to you?

Hi all,

I heard at the end of the call that there are 2 utah communities without water. These two folks asked to be invited to the 2pm call. Are we aware? We need to be prepared to discuss for the 2pm call.
